We're here when you need us

## WHAT'S **NOT** COVERED

- Pre-existing faults
- Unsafe systems
- Boilers over 12 years old
- Sludge or scale damage
- Pipework and systems controls (except Platinum thermostat leaks)
- Topping up boiler pressure
- External causes such as frozen pipes or flooding
- Boiler replacement
- Heat exchangers
- Parts and Labour exceeding the annual claim limit
- Manufacturer recalls or defects

## IMPORTANT TO KNOW

- Cover is subject to a successful initial inspection. Inspection charges apply. No cover applies until approved.
- 30-day exclusion period applies from sign-up date.
- Missed payments may suspend or cancel your cover. Cover resumes once arrears are cleared.
- Repairs are subject to parts availability. Equivalent parts may be used where necessary.
- Missed appointments may incur charges.
- Annual boiler servicing must be maintained to keep cover active.
- Max 3 call-outs per year.
- Maximum annual repair value applies (see plan details).
- Parts and labour cover is subject to a maximum annual claims value of £1,000 per household per 12-month period.
- Your annual boiler service must be completed when due to maintain cover.
- Full terms and conditions apply.
